

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules.

Please retain all of the current media ownership rules. Democracy is not possible without a broad range of opinions being aired before the public. There is far too little diversity of opinion expressed on our media now and this will only decrease as ownership consolidation increases. The airways are owned by the public and should not be a forum for a few large corporations to manipulate public opinion to serve their own interests. Please hold additional hearings in other areas of the country to obtain input from as many of our citizens as possible.

Thank you,

Stephen Bomkamp
